

Initial Ideas

Name: _____

What are some of the main concepts that emerge from your own political statement? (**Brainstorm**)

Now, select two that you think are most important to you or that you most want to communicate to a public audience about what shapes or informs your political perspective. You will generate ideas for these two ideas so that you can get feedback

Concept ONE: (in three words or less)

Idea #1: How might you represent this concept? Be specific. Include what the subject of the photo could be, when and where you would take the photo, what resources or logistics you might have to consider, etc. (repeat for each idea below)

Idea #2: How might you represent this concept?

Concept TWO: (in three words or less)

Idea #1: How might you represent this concept?

Idea #2: How might you represent this concept?

Which one are you most excited about and why?
